Subject: Holidays

... You've probably seen the photos which I took on my holiday. During the rainy days we are having now they bring back good memories!

... Where did you spend your last summer holidays? What did you do during your holidays? What school holidays do you like most of all and why?...

Write a message to Lily and answer her 3 questions.

Write 100–120 words.

Remember the rules of letter writing.

Hi, Lily! Yes, your photos are really great!

I spent my last holidays away from home. I visited France and I really like it. I also saw various sights of this country. What I remember most is the Louvre. There are many pictures by different authors and artifacts from ~~through the streets~~ different times. We walked a lot through the streets of France. The architecture of this country is very impressive.

This trip took place during the summer holidays, but I like the winter ones better. In winter I celebrate New Year, which is my favorite winter holiday. At this time there is an atmosphere of fairy tales and magic.

I hope we see you soon. Write me more often.

Your friend.
